

Nov. 16, 1936

The Executive Committee meeting of the New Jersey Urban League met on the above date at 58 W. Market St. Present: Mr. Bannwart, Mrs. Bannwart, Mrs. Bell, Mr. Brooks, Dr. Bell, Dr. Parks, Mrs. Wright.

Minutes of the previous meeting read and approved.

A communication had come from the Social Service Department of the Essex Mountain Sanatorium stating that one Christmas package had been promised for each of the 450 patients; that they desired to have each patient receive two; and asking if the Urban League could take care of the 56 Negro patients. Since no provision for this sort of thing is made in the budget, the Executive Secretary was to get in touch with several clubs in the community and act as a clearing house on the project.

Treasurer's report showed:

1. Obligation of \$400.99
2. Disbursements 1028.36

The Executive asked and was given permission to ask for furnishings for the residence.

Publication of the results of a survey shows the industrial turnover among Negroes very small. A young worker trained in the League office to go out in the community to make industrial contacts.

A call had come from Atlantic City for an engineer to work on the Housing Project there.

Projects offered for approval have been:

1. The tabulation of Negro Housing to be gathered from the general housing report already made.
2. The breaking down into community reports the information contained in the National White Collar Survey.

Announcement was made of two conferences:

1. Nov. 20 Health Problems Among Negroes- to be held in New Brunswick.
2. Dec. 4, 5. N. J. State Conference of Social Work- to be held in Asbury Park.

There being no further business the meeting was adjourned.

U. M. Janifer, Secretary
